

(9) El Camino Real fostered the spread of Catholicism, mining, an extensive network of commerce, and ethnic and cultural traditions including music, folklore, medicine, foods, architecture, language, place names, irrigation systems, and Spanish law.

SEC. 3. AUTHORIZATION AND ADMINISTRATION.

Section 5 (a) of the National Trails System Act (16 U.S.C. 1244 (a)) is amended—

(1) by designating the paragraphs relating to the California National Historic Trail, the Pony Express National Historic Trail, and the Selma to Montgomery National Historic Trail as paragraphs (18), (19), and (20), respectively; and

(2) by adding at the end the following:

“(21) EL CAMINO REAL DE TIERRA ADENTRO.—

“(A) El Camino Real de Tierra Adentro (the Royal Road of the Interior) National Historic Trail, a 404 mile long trail from the Rio Grande near El Paso, Texas to present San Juan Pueblo, New Mexico, as generally depicted on the maps entitled ‘United States Route: El Camino Real de Tierra Adentro’, contained in the report prepared pursuant to subsection (b) entitled ‘National Historic Trail Feasibility Study and Environmental Assessment: El Camino Real de Tierra Adentro, Texas-New Mexico’, dated March 1997.

“(B) MAP.—A map generally depicting the trail shall be on file and available for public inspection in the Office of the National Park Service, Department of Interior.

“(C) ADMINISTRATION.—The Trail shall be administered by the Secretary of the Interior.

“(D) LAND ACQUISITION.—No lands or interests therein outside the exterior boundaries of any federally administered area may be acquired by the Federal Government for El Camino Real de Tierra Adentro except with the consent of the owner thereof.

“(E) VOLUNTEER GROUPS; CONSULTATION.—The Secretary of the Interior shall—

“(i) encourage volunteer trail groups to participate in the development and maintenance of the trail; and

“(ii) consult with other affected Federal, State, local governmental, and tribal agencies in the administration of the trail.

“(F) COORDINATION OF ACTIVITIES.—The Secretary of the Interior may coordinate with United States and Mexican public and non-governmental organizations, academic institutions, and, in consultation with the Secretary of State, the government of Mexico and its political subdivisions, for the purpose of exchanging trail information and research, fostering trail preservation and educational programs, providing technical assistance, and working to establish an international historic trail with complementary preservation and education programs in each nation.”.

GLACIER BAY FISHERIES ACT

The Senate proceeded to consider the bill (S. 501) to address resource management issues in Glacier Bay National Park, Alaska, which had been reported from the Committee on Energy and Resources, with an amendment to strike all after the enacting clause and insert in lieu thereof the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Glacier Bay Fisheries Act”.

SEC. 2. RESOURCE MANAGEMENT AND USE.

(a) Section 202(1) of the Alaska National Interest Lands Conservation Act (16 U.S.C. 410hh-

1) is amended by adding at the end thereof the following new sentence: “Subsistence fishing and gathering by local residents shall be permitted in the park and preserve in accordance with the provisions of title VIII.”.

(b) Within the boundaries of Glacier Bay National Park, the Secretary of the Interior shall not take any action that would adversely affect—

(1) subsistence fishing and gathering under title VIII of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3111 et seq.);

(2) management by the State of Alaska of marine fisheries including subsistence and commercial fisheries, in accordance with the principles of sustained yield, except that commercial fishing for Dungeness crab shall be prohibited; and,

(3) subsistence gathering activities permitted under the Migratory Bird Treaty.

(c) Nothing in this section shall enlarge or diminish Federal or State title, jurisdiction or authority with respect to the waters of the State of Alaska, the waters within the boundaries of Glacier Bay National Park and Preserve, or the tidal or submerged lands.

SEC. 3. CLAIMS FOR LOST EARNINGS.

Section 3(g) of Public Law 91-383 (16 U.S.C. 1a-2(g)) is amended—

(1) in paragraph (1), by striking “and” at the end;

(2) in paragraph (2), by striking the period at the end and inserting “; and”; and

(3) by inserting after paragraph (2) the following:

“(3) to pay an aggregate of not more than \$2,000,000 per fiscal year in actual and punitive damages to persons who, at any time after January 1, 1999, suffered or suffer a loss in earnings from commercial fisheries legally conducted in the marine waters of Glacier Bay National Park, due to any action by an officer, employee, or agent of any Federal department or agency.”

Amendment No. 2801 was agreed to as follows:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Glacier Bay National Park Resource Management Act of 1999”.

SEC. 2. DEFINITIONS.

As used in this Act—

(1) the term “local residents” means those persons living within the vicinity of Glacier Bay National Park and Preserve, including but not limited to the residents of Hoonah, Alaska, who are descendants of those who had an historic and cultural tradition of sea gull egg gathering within the boundary of what is now Glacier Bay National Park and Preserve.

(2) the term “outer waters” means all of the marine waters within the park outside of Glacier Bay proper;

(3) the term “park” means Glacier Bay National Park.

(4) the term “Secretary” means the Secretary of the Interior; and

(5) the term “State” means the State of Alaska.

SEC. 3. COMMERCIAL FISHING.

(a) IN GENERAL.—The Secretary shall allow for commercial fishing in the outer waters of the park in accordance with the management plan referred to in subsection (b) in a manner that provides for the protection of park resources and values.

(b) MANAGEMENT PLAN.—The Secretary and the State shall cooperate in the development of a management plan for the regulation of commercial fisheries in the outer waters of the park in accordance with existing Federal and State laws and any applicable inter-

national conservation and management treaties.

(c) SAVINGS.—(1) Nothing in this Act shall alter or affect the provisions of section 123 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1999 (Public Law 105-277), as amended by section 501 of the 1999 Emergency Supplemental Appropriations Act (Public Law 106-31).

(2) Nothing in this Act shall enlarge or diminish Federal or State title, jurisdiction, or authority with respect to the waters of the State of Alaska, the waters within Glacier Bay National Park and Preserve, or tidal or submerged lands.

(d) STUDY.—(1) Not later than one year after the date funds are made available, the Secretary, in consultation with the State, the National Marine Fisheries Service, the International Pacific Halibut Commission, and other affected agencies shall develop a plan for a comprehensive multi-agency research and monitoring program to evaluate the health of fisheries resources in the park’s marine waters, to determine the effect, if any, of commercial fishing on—

(A) the productivity, diversity, and sustainability of fishery resources in such waters; and

(B) park resources and values.

(2) The Secretary shall promptly notify the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the United States House of Representatives upon the completion of the plan.

(3) The Secretary shall complete the program set forth in the plan not later than seven years after the date the Congressional Committees are notified pursuant to paragraph (2), and shall transmit the results of the program to such Committees on a biennial basis.

SEC. 4. SEA GULL EGG COLLECTION STUDY.

(a) STUDY.—the Secretary, in consultation with local residents, shall undertake a study of sea gulls living within the park to assess whether sea gull eggs can be collected on a limited basis without impairing the biological sustainability of the sea gull population in the park. The study shall be completed no later than two years after the date funds are made available.

(b) RECOMMENDATIONS.—If the study referred to in subsection (a) determines that the limited collection of sea gull eggs can occur without impairing the biological sustainability of the sea gull population in the park, the Secretary shall submit recommendations for legislation to the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the United States House of Representatives.

SEC. 5. AUTHORIZATION OF APPROPRIATIONS.

There is authorized to be appropriated such sums as are necessary to carry out this Act.”.

The committee amendment in the nature of a substitute, as amended, was agreed to.

The bill (S. 501), as amended, was read the third time and passed, as follows:

S. 501

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Glacier Bay National Park Resource Management Act of 1999”.

SEC. 2. DEFINITIONS.

As used in this Act—

(1) the term “local residents” means those persons living within the vicinity of Glacier Bay National Park and Preserve, including but not limited to the residents of Hoonah, Alaska, who are descendants of those who had an historic and cultural tradition of sea gull egg gathering within the boundary of what is now Glacier Bay National Park and Preserve;

(2) the term “outer waters” means all of the marine waters within the park outside of Glacier Bay proper;

(3) the term “park” means Glacier Bay National Park;

(4) the term “Secretary” means the Secretary of the Interior; and

(5) the term “State” means the State of Alaska.

SEC. 3. COMMERCIAL FISHING.

(a) **IN GENERAL.**—The Secretary shall allow for commercial fishing in the outer waters of the park in accordance with the management plan referred to in subsection (b) in a manner that provides for the protection of park resources and values.

(b) **MANAGEMENT PLAN.**—The Secretary and the State shall cooperate in the development of a management plan for the regulation of commercial fisheries in the outer waters of the park in accordance with existing Federal and State laws and any applicable international conservation and management treaties.

(c) **SAVINGS.**—(1) Nothing in this Act shall alter or affect the provisions of section 123 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1999 (Public Law 105-277), as amended by section 501 of the 1999 Emergency Supplemental Appropriations Act (Public Law 106-31).

(2) Nothing in this Act shall enlarge or diminish Federal or State title, jurisdiction, or authority with respect to the waters of the State of Alaska, the waters within Glacier Bay National Park and Preserve, or tidal or submerged lands.

(d) **STUDY.**—(1) Not later than one year after the date funds are made available, the Secretary, in consultation with the State, the National Marine Fisheries Service, the International Pacific Halibut Commission, and other affected agencies shall develop a plan for a comprehensive multi-agency research and monitoring program to evaluate the health of fisheries resources in the park's marine waters, to determine the effect, if any, of commercial fishing on—

(A) the productivity, diversity, and sustainability of fishery resources in such waters; and

(B) park resources and values.

(2) The Secretary shall promptly notify the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the United States House of Representatives upon the completion of the plan.

(3) The Secretary shall complete the program set forth in the plan not later than seven years after the date the Congressional Committees are notified pursuant to paragraph (2), and shall transmit the results of the program to such Committees on a biennial basis.

SEC. 4. SEA GULL EGG COLLECTION STUDY.

(a) **STUDY.**—The Secretary, in consultation with local residents, shall undertake a study of sea gulls living within the park to assess whether sea gull eggs can be collected on a limited basis without impairing the biological sustainability of the sea gull population in the park. The study shall be completed no

later than two years after the date funds are made available.

(b) **RECOMMENDATIONS.**—If the study referred to in subsection (a) determines that the limited collection of sea gull eggs can occur without impairing the biological sustainability of the sea gull population in the park, the Secretary shall submit recommendations for legislation to the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the United States House of Representatives.

SEC. 5. AUTHORIZATION OF APPROPRIATIONS.

There is authorized to be appropriated such sums as are necessary to carry out this Act.

LEWIS AND CLARK RURAL WATER SYSTEM ACT OF 1999

The Senate proceeded to consider the bill (S. 244) to authorize the construction of the Lewis and Clark Rural Water System and to authorize assistance to the Lewis and Clark Rural Water System, Inc., a nonprofit corporation, for the planning and construction of the water supply system, and for other purposes, which had been reported from the Committee on Energy and Natural Resources, with an amendment to strike all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Lewis and Clark Rural Water System Act of 1999”.

SEC. 2. DEFINITIONS.

In this Act:

(1) **ENVIRONMENTAL ENHANCEMENT.**—The term “environmental enhancement” means the wetland and wildlife enhancement activities that are carried out substantially in accordance with the environmental enhancement component of the feasibility study.

(2) **ENVIRONMENTAL ENHANCEMENT COMPONENT.**—The term “environmental enhancement component” means the proposals described in the report entitled “Wetlands and Wildlife Enhancement for the Lewis and Clark Rural Water System”, dated December 1994.

(3) **FEASIBILITY STUDY.**—The term “feasibility study” means the study entitled “Feasibility Level Evaluation of a Missouri River Regional Water Supply for South Dakota, Iowa and Minnesota”, dated September 1993, that includes a water conservation plan, environmental report, and environmental enhancement component.

(4) **INCREMENTAL COST.**—The term “incremental cost” means the cost of the savings to the project were the city of Sioux Falls not to participate in the water supply system.

(5) **MEMBER ENTITY.**—The term “member entity” means a rural water system or municipality that meets the requirements for membership as defined by the Lewis and Clark Rural Water System, Inc. bylaws, dated September 6, 1990.

(6) **PROJECT CONSTRUCTION BUDGET.**—The term “project construction budget” means the description of the total amount of funds needed for the construction of the water supply project, as contained in the feasibility study.

(7) **PUMPING AND INCIDENTAL OPERATIONAL REQUIREMENTS.**—The term “pumping and incidental operational requirements” means all power requirements that are necessary for the operation of intake facilities, pumping stations, water treatment facilities, reservoirs, and pipelines up to the point of delivery of water by the water supply system to each member entity that distributes water at retail to individual users.

(8) **SECRETARY.**—The term “Secretary” means the Secretary of the Interior.

(9) **WATER SUPPLY PROJECT.**—

(A) **IN GENERAL.**—The term “water supply project” means the physical components of the Lewis and Clark Rural Water Project.

(B) **INCLUSIONS.**—The term “water supply project” includes—

(i) necessary pumping, treatment, and distribution facilities;

(ii) pipelines;

(iii) appurtenant buildings and property rights;

(iv) electrical power transmission and distribution facilities necessary for services to water systems facilities; and

(v) such other pipelines, pumping plants, and facilities as the Secretary considers necessary and appropriate to meet the water supply, economic, public health, and environment needs of the member entities (including water storage tanks, water lines, and other facilities for the member entities).

(10) **WATER SUPPLY SYSTEM.**—The term “water supply system” means the Lewis and Clark Rural Water System, Inc., a nonprofit corporation established and operated substantially in accordance with the feasibility study.

SEC. 3. FEDERAL ASSISTANCE FOR THE WATER SUPPLY SYSTEM.

(a) **IN GENERAL.**—The Secretary shall make grants to the water supply system for the planning and construction of the water supply project.

(b) **SERVICE AREA.**—The water supply system shall provide for the member entities safe and adequate municipal, rural, and industrial water supplies, environmental enhancement, mitigation of wetland areas, and water conservation in—

(1) Lake County, McCook County, Minnehaha County, Turner County, Lincoln County, Clay County, and Union County, in southeastern South Dakota;

(2) Rock County and Nobles County, in southwestern Minnesota; and

(3) Lyon County, Sioux County, Osceola County, O'Brien County, Dickinson County, and Clay County, in northwestern Iowa.

(c) **AMOUNT OF GRANTS.**—Grants made available under subsection (a) to the water supply system shall not exceed the amount of funds authorized under section 9.

(d) **LIMITATION ON AVAILABILITY OF CONSTRUCTION FUNDS.**—The Secretary shall not obligate funds for the construction of the water supply project until—

(1) the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) are met; and

(2) a final engineering report and a plan for a water conservation program are prepared and submitted to Congress not less than 90 days before the commencement of construction of the water supply project.

SEC. 4. FEDERAL ASSISTANCE FOR THE ENVIRONMENTAL ENHANCEMENT COMPONENT.

(a) **INITIAL DEVELOPMENT.**—The Secretary shall make grants and other funds available to the water supply system and other private, State, and Federal entities, for the initial development of the environmental enhancement component.

(b) **NONREIMBURSEMENT.**—Funds provided under subsection (a) shall be nonreimbursable and nonreturnable.

SEC. 5. MITIGATION OF FISH AND WILDLIFE LOSSES.

Mitigation for fish and wildlife losses incurred as a result of the construction and operation of the water supply project shall be on an acre-for-acre basis, based on ecological equivalency, concurrent with project construction, as provided in the feasibility study.
